Description

We will explore the authentic movement in relation to partner work, nature and animalistic power. The Japanese Butoh dance, and contact improvisation give you a good balance between body and mind and provides a deep feeling of nature of man through body work in and out side the wonderful open studio and the body contact to horses in the fields. We will enjoy and investigate the unified body, including breathing, mindfulness and energy work of center and improvise and perform it -in the fantastic ancient's landscape of the mountains and with the natural living horses. The participators do not need any specific experience in dance or horse work.

Anita Saij presents this unique workshop for now 6 year with great success. She has a long life experience both with dance and horse as an artist and as somatic trainer. She is have more than 25 years of teaching and performance experience. Educated through 3 year of the master Kazuo Ohno in Zen and Butoh in Japan and is founder of the international prized Theatre Dance Lab 1086, director of the new body and performance education Nordic School of Butoh 2002, and now a new creative body education Art Human Nature a Academy at the Art Culture Center Baekkelund at the island Bornholm in Denmark.

After the camp you can stay and book trekking with the owner of the farm. A little tour for a hour or a fantastic 3-5 days trekking tour high in the fantastic mountain at horse back with tent etc. You don't need any experience in horse riding.

Price:

DKK 3.240,- / Euro 432,-, (special prize). Or DKK 3.600,- / Euro 480,-. Price includes lodging and the enrolment deposit DKK 800,-/ Euro 100,-. Food DKK 90,-/Euro 12,- a day. It is possible to book single and double room with tavel and duvet etc. (extra charge for single or double room, DKK 600,-/Euro 80,-).

***Nordic Butoh**, Academy of Creativity, Dance and Theatre. It is founded by the international priced and well-known dancer and teacher Anita Saij 2002, situated in Copenhagen for 6 years. The academy offer education modules, workshops, international seminars, and art residence and summer camps for artists in France, Spain and Denmark. From 2009 it is a department of the Art and Culture Centre at Bornholm. The teaching is highly professional and has a focus at the whole of the human in relation and interaction to modern art, creativity and nature. The school is inspired of new contemporary and experimental directions of performing and art. Like thoughts and methods of natural body work for instance Butoh, Authentic Movement, Improvisation, Body Mind Center, and others Somatic Movement Art. Setting of creative sculpturing is a part of your personal creative work also the creative work in nature as Land Art.*
